

REJUV MEDSPA WELLNESS SERVICES

Ballancer Pro

The Ballancer®Pro offers the proven benefits of lymphatic drainage massage to bridge the gap between aesthetics, recovery and wellness, delivering a multi-faceted, effective answer to a number of body issues.

- The most relaxing non-invasive body-contouring treatment
- Reduction of fluid retention and swelling
- Detox and faster recovery
- Can reduce the appearance of cellulite
- Firms and tones the skin
- Improves skin glow and helps flush out toxins
- Increases oxygen levels in the blood flow and nourishment to tissue
- Accelerates the removal of waste products from fat metabolism
- Reduces pain caused by the excessive amount of fluids and metabolites in the limbs

Halotherapy (Salt Room)

Halotherapy, also known as salt therapy, is a treatment that involves breathing in dry, salt-infused air. It is based on the belief that inhaling these salt particles can have therapeutic benefits including:

- Respiratory problems such as asthma, COPD, and bronchitis
- Skin conditions such as eczema and psoriasis
- Stress and anxiety
- Sleep disorders
- Immune system function

PEMF Matt

A PEMF mat is a wellness device that uses Pulsed Electromagnetic Field (PEMF) therapy to deliver low-frequency electromagnetic waves to the body.

Potential Benefits include:

- Pain Relief
- Reduced Inflammation
- Faster Recovery
- Improved Sleep
- Stress Reduction.

Brain Tap

BrainTap is a neurotechnology that uses light and sound stimulation to induce relaxation and improve brain function. It is a non-invasive, drug-free therapy that aims to:

- Reduce stress and anxiety
- Enhance focus and concentration
- Improve sleep quality
- Improved Sleep
- Optimize brain performance

Infrared Dry Sauna

An infrared sauna is a type of sauna that uses infrared radiation to heat the body directly, rather than heating the air around it. Benefits include:

- Detoxification
- Improved circulation
- Pain relief
- Stress reduction
- Improved sleep
